Scripture

'The apostles gathered around Jesus, and told him all that they had done and taught. He said to them, "Come away to a deserted place all by yourselves and rest a while." For many were coming and going, and they had no leisure even to eat. And they went away in the boat to a deserted place by themselves. (Mark 6:30-32)

Policy

 - j. It will recognise our responsibility as members of the earth community to use God's gifts justly and wisely.
 - k. It will provide significant opportunity for students to reflect on their personal identity and their relationships with God, others and Creation.
3. The Retreat Programme will offer students the opportunity for prayer, reading, reflection and dialogue related to the cultural characteristics listed above.
- Many of these opportunities will be offered off-site.
 - The Mission Team will comprise the Director of Mission, Head of Religious Education Faculty, the College Chaplain and other members of staff who volunteer their services and are appointed to the Team by the Headmaster.
 - The Mission Team is responsible for preparing a retreat programme plan annually which will outline the logistics for retreats for students in that year.
 - The Retreat Programme will be presented for approval to the Headmaster.
 - Any staff member can provide proposals for change to the retreat programme but they must be presented in writing for approval by the Mission Team.
