

The cost of building this new home for up to 100 boarders will be \$3.9m. It is hoped that through the generous support of our broad community, we can recoup at least \$1m through a fundraising campaign. To date, \$250,000 has already been pledged. We now ask you to consider assisting the College in this investment to secure boarding at St Patrick's College for many years to come.

Tax deductible donations can be made by contacting Director of Community Development Mr Paul Nolan on **5322 4450** or at pnolan@stpats.vic.edu.au.

Contributions can also be made via bank transfer to the College Building Fund.
