

FROM THE HEADMASTER
Dr Peter Casey

Greetings as we enjoy a real Ballarat winter!

Godspell

Congratulations to staff members Mrs Kathleen Plastow, Mr Glenn Fisher, Mr Carl Alwert, Ms Andrea McDonald, Ms Louise Emery, and Mr Peter Camm, to all of our cast members, musicians, back stage crew, make-up artists, sound and light crew and everybody who contributed in any way to a marvellous production of Godspell. Our boys teamed brilliantly with the Loreto girls to offer us a vibrant, colourful and most moving re-enactment of St Matthew's Gospel. Lawrence Heenan (Jesus) and Luke Wilson (John the Baptists and Judas) stole the show with contrasting displays of serious intent and knowing winks. I think that some of our youngsters watch too many soapies to learn their acting skills and moves! Many thanks to the parents who supported the production throughout its time and during the performances. Overall the show was most incredible. I think that we are happily able to record renewed success in the Performing Arts.

Examinations

Examinations are a reasonable fact of life and a judgement on how we have taught the boys we have in front of us. I thank our staff for the energy they bring to the setting of exams, the supervision and correction, the recording and dissemination of reports and the dialogue with students and parents over progress and learnings. In particular I congratulate Ms Elizabeth Till and Ms Elizabeth Ryan for their organisation of the exams and the Heads of School and Heads of Faculty for their facilitation.

I thank all of our students who have prepared diligently for these formal assessments of their learning. I congratulate those students whose completed works for Semester One have been on display around the College. They demonstrate clearly the fine calibre of workmanship and artistry evolving in our boys. Well done.

As we approach the end of term, I am aware that preparations are drawing to a close for our Kokoda Trackers and for the Japanese Tour. I wish staff, students and parents Godspeed as they head off to represent us in such diverse but connected regions. In particular I thank Mrs Margaret McIntyre and Mr Michael Weadon for their leadership of these projects.

Fond regards

PeterC

Semester Exams

Exams are an important way of measuring a student's progress in their studies and form a significant part of the assessment completed at the College and reported to parents via end of semester reports. Boys need to talk and work with their teachers in their preparation for the exams. Boys should be having constructive conversations about the length of the exam and the format of the exam, for example, how many sections, what type of questions in each section, time length, what units of work are to be covered in the exam and what materials are allowed in the exam?

As well as this, many boys will need some guidance on how best to revise the material for the exam – again, their subject teachers are the best source on how to go about this. Effective study techniques are a skill that is developed over many years of practice and guidance.

It is important that each boy tries his very best in each exam. By initiating some simple conversations with teachers, each boy will place himself in a better position to enter the exam room and attempt the exam without encountering any nasty little surprises ("I didn't know that this was going to be on the exam"!). I wish all boys the very best of luck as they prepare and complete the exams to end this semester!

End of Term for students – Friday, June 19

The end of Term 2 is quickly approaching with all boys finishing at 3.25 pm on Friday June 19. This dismissal time will allow boys to catch their normal mode of transport as they head off for a well earned break.

Staff will use the majority of the following week to finalise the end of term reports and undertake Professional Development focussing on student wellbeing issues.

School Production: Godspell

I am certain that more information about this amazing production will be contained in other parts of The Crest, however I would like to pass on my congratulations to all involved with the production: students, staff and parents. Laurence Heenan was magnificent as Jesus as were many other boys such as Luke Wilson, Jeremy White, Patrick Linnane and Daniel Goetz as well as all of the other boys within the chorus. Well done to those in off-stage roles such as lighting, band, floor manager and audio Well done to all! Thank you to Director, Mr Glenn Fisher, Musical Director Mr Carl Alwert, Mrs Kathleen Plastow, Mr Peter Camm, Ms Andrea McDonald, Mr Fred Spittle and Ms Louise Emery. Finally thank you to all parents who supported their sons by bringing them to school on many different occasions for practices and rehearsals. I think anyone who was lucky enough to attend any of the performances would agree that all the hard work paid off!

A Night of Homelessness

Many of you reading this article will never experience the isolated, lonely, hungry and unhealthy world that comes with being homeless. When did you last consider how lucky you really are to live in a family home with a roof over your head, to regularly enjoy a home cooked meal and a conversation with members of your family around the dinner table; to be able to jump into the comforts of a warm bed when you get tired or simply have a hug with someone and be told how special you are?

Our lives are so busy that we will never appreciate what it must feel like to experience the circumstances that have resulted in 36,000 young people exposed to homelessness in Australia on any given night. These young people are aged between 12 to 25 years of age, a staggering 1 in 70.

In response to this situation and to further enhance the Year 10 Leadership Programme available to students, the College conducted *One Night Of Homelessness* to provide students with the opportunity to experience just some of the conditions that people living homeless experience.

On Thursday May 28, 197 Year 10 students and 13 staff spent the night out in the cold with nothing but a woolen blanket for comfort and warmth. The experience, coordinated by the College's Leadership and Standards Officer Mr Jamie Bobrowski is part of a holistic Year 10 Leadership Development Programme titled, 'The Journey'.

Without the comforts of home and supportive families, boys were challenged to confronting situations by Mr Jamie Bobrowski who woke the boys up at regular intervals during the night giving a sense of sleep deprivation. This was just one example of how the students could appreciate what homelessness is like. It wasn't all bad though as students also experienced a real life soup kitchen and met workers and volunteers whose daily reality brings them into contact with some of societies marginalised. Students were treated to one cup of soup and a slice of bread. Other experiences for the night included a range of team challenges and an hour of loneliness.

Given the importance of this significant social and community issue I would appreciate any feedback you may have discussed with your son regarding *One Night Of Homelessness*.

Please email jbobrowski@stpats.vic.edu.au with your feedback. If anyone would like further information about the *One Night Of Homelessness* please contact Mr Jamie Bobrowski on 0422 004 244.

H1N1 Influenza 09 (Human Swine Flu)

Careers and Transition

Mr Anthony Meehan

Second Semester Subject Changes

Year 9, 10 and 11 students who wish to make a subject change request for Semester Two are currently able to do so. Students must firstly obtain a form from the VCE Coordinator Mrs Elizabeth Ryan, their Year Level Coordinator or from the Careers and Transition Office. Secondly, Parent and Teacher approval must be sought by having the form signed.

To discuss career pathway options please make a booking with the Careers and Transition Coordinator Mr Anthony Meehan through the Edmund Rice Centre.

Work Experience Week June 22 to 26

Year 10 students and parents are encouraged to have paperwork completed and returned to the College by the end of this month. Many major employers like to have one month's advance notice of placements. It is hoped that all forms be fully signed off and copies sent to employers and parents confirming details two weeks prior to the work experience week. Please contact Mr Meehan on 53224407 if difficulties in securing a placement are still being experienced.

Tertiary Information Service Event – Year 12

St Patrick's College has arranged for the Year 12 students to attend the 2009 Tertiary Information Service (TIS) Event. SPC requires all Year 12 students to attend the TIS and bus transport will be provided on the day. TIS is a collective of University, TAFE and independent tertiary colleges who run free information sessions for Year 12 students across Victoria.

The sessions allow prospective students to access course advice and publications as well as obtain information regarding choices for tertiary education after Year 12. A panel of experts will present information on topics such as the VTAC application process, choosing a course, accommodation, scholarships, special admissions schemes, fees and finances, open days and more. Following the presentation there is an expo where students can approach representatives for specific information and collect brochures. Please contact Mr Anthony Meehan at the College on 5322 4407 for any further enquiries.

DIRECTOR OF MISSION

Mrs Maree Moore

Next Sunday, the Church celebrates the Feast of the Body and Blood of Christ. Growing up as I did at Springbank one of my fond memories is of our family attending the Celebration of Corpus Christi (Body and Blood of Christ) at St Patrick's College. During the afternoon a long procession would make its way around the Main Oval towards the Grandstand. Here the assembled crowd would join in singing and prayer during the Benediction.

Such celebrations had grown out of medieval times when Catholics rarely received Communion. So much so, that the custom of venerating the Blessed Sacrament took on great significance.

Richard Leonard reflects on this understanding when he writes *"Many of us have fond memories of Benediction: a bejewelled cope and monstrance, the flickering candles the Divine Praises and Latin hymns. It all worked to create a magical atmosphere."*

Today as Catholics, we believe that Jesus is present to us to the broken bread and shared cup of the Eucharist. And although we believe that Christ is present in the Scriptures, the assembly and the ministers of the Church, we hold that Christ's presence under the form of bread and wine is one filled with great intimacy and uniqueness.

The Eucharist is intimate and unique because earthy signs are transformed by God's love and are consumed in faith. As we eat and drink these elements Christ becomes part of us and we come alive in Christ.

Brendan Byrne writes in his commentary on Sunday's readings:

Drawing on Jeremiah's prophecy of a 'new covenant' (Jer 31:33), Gospel writers and Paul see the sprinkling of Christ's blood on Calvary as God's establishment of a 'new covenant' for a renewed People of God. On the night before he died, Christ shared a final Passover meal with his disciples. Modifying the Passover ritual, he impressed a special meaning upon the death he was to undergo the following day: the shedding of his blood, symbolised in the cup of wine, would be the inauguration of a 'new covenant in his blood'.

Though the command to repeat the Eucharistic gestures ('Do this in memory of me') does not appear the Markan account set down for today's Gospel (14:12-16, 22-26), as it does in Luke (22:19) and Paul (1 Cor 11:24, 25), the inauguration of a ritual to be repeated is clearly implied. When believers of subsequent generations recall and repeat what the Lord did at that Last Supper, they place themselves in a situation similar to that of the Israelites whom Moses sprinkled with blood at the ratification of the first covenant. They appropriate to themselves all the saving benefits associated with the 'new covenant' established in Christ's blood.

HEAD OF SENIOR SCHOOL

Mr Michael Busscher

This week has seen the Senior School begin their Examination period. The Year 12s have sat Biology, Chemistry, Physics and Accounting Examinations along with the GAT. Year 10 and 11 students have also started their Examinations and will continue with these throughout next week. On a personal note I would like to wish all of these students the best of luck. I hope that they have been able to prepare themselves adequately and that their examinations highlight the extent of their assessable knowledge. I wish to publically acknowledge the coordination of these Examinations by Ms Elizabeth Till, Director of Administration and Mrs Elizabeth Ryan, VCE Coordinator. Both of these ladies do the mountain of work in preparing for these Examinations and thus I thank them both for their commitment.

To finish this week off the Year 12 boys and their partners were transformed from school children into eloquent young ladies and gentlemen as they attended the 2009 Year 12 Formal. The night was full of laughter and photographs so that the memory of the evening will last a long time. Thankyou must go to Mr Graham Swinton the Head of Year 12 and the College Administration Team for their preparation of everything that makes a night such as this the overall success that it is.

Defence Technical Scholarship

Earlier this year, Year 11 student Damien Geurts submitted his application to the Department of Defence to be considered for a '2009 Defence Technical Scholarship'. Recently the College received correspondence from the Department that Damien has been recognised as a worthy recipient. Congratulations Damien!

Applications for 2010 Defence Technical Scholarships will be made available on the Defence website shortly. www.defencejobs.gov.au

HEAD OF MIDDLE SCHOOL

Mr Terry Blizzard

Year 9 Melbourne Experience

With the Year 9 Melbourne Experience now completed the task of reviewing the experience commences. The Middle School staff have met and shared their experiences and observations the result being an overwhelming success. The young men of the Middle School were across the board outstanding in their cooperation and maturity. Reluctance and apprehension on the first day very quickly turned into confidence and self-assuredness thereafter (even for some parents!). Most of the Year 9 boys commuted in from the suburbs by train, tram or bus and after day one were very confident in their own ability.

Numerous boys were able to make adjustments to their arrangements when the public transport system didn't run to schedule. Boys such as Angus Clydesdale and William Gallagher were exceptional in this regard.

There were many instances during the fortnight when I was reminded of how fantastic our young men are as ambassadors for the College and as just "good students". On a number of occasions people stopped staff to pass on their compliments in regards to student behaviour, presentation and attitude. The perennial issue of how the uniform was worn was in *nearly all* cases a non-issue.

As the weeks progressed the boys became more and more like confident city dwellers and their new found worldliness came to the fore at the Victoria Market as the boys willingly tried a range of wonderful foods from all over the world. Opening up the boys eyes to the joys of a multi-cultural society is a slow process.

I would like to make special mention of the Middle School staff that helped organise and run the experience. Their level of care and commitment to the young men in their group was outstanding and I thank them for their dedication. The Middle School Key Elements of Belonging, Relationships, Experiential Learning and Academic Rigor are at the most prominent in this experience.

As part of the review process I would welcome any reflections parents may have on the Melbourne Experience to add to our own. Please contact the Head of Middle School Mr Terry Blizzard at tblizzard@stpats.vic.edu.au or 53 311688.

St Patrick's College - 13 Defeated Ballarat Grammar - 0

Gaols: Rohan Hill 5, Jesse Hennessey 3, Liam Brookes, Ben McOwan, Aaron Lewicki, Zac Pietsch, Drew Murphy 1.

Best: Rohan Hill, Jesse Hennessey, Drew Murphy.

The Round 4 match against the Ballarat Grammar Blue team was a convincing win. Throughout the match SPC dominated the pitch displaying some of the best team efforts to date. At the two minute mark Jacob Weeks passed perfectly to Liam Brookes in defence to score the first goal. Within another minute and a half Captain Rohan Hill scored taking SPC to two- nil lead. A variety of other plays and scores then placed SPC to lead six to nil at half time.

In the second half SPC proved equally as dominant with another seven goals being added to the tally without any response from Grammar. There was however several challenges from the Grammar team who were gallant in defeat.

BAS Football Round 7

Junior Football

BCC 4 - 10 - 34 Defeated SPC Gold 1 - 1 - 7

Best players: Michael Richardson, Tom Mooney, Aaron Sedgwick, Brody Sheridan, Nicholas Powell and Seth Storie.

SPC Gold played a great game where all players contributed strongly as a team. Special mention to Tom Mooney for returning to the field after getting a blood nose.

SPC Green 11 - 9 - 75 Defeated BG Gold 8 - 3 - 51

Goal Kickers: Billy Jones, Mitch Kennedy 2, Liam Cullinan, Joe Mason, Luke Delahey, Jarryd O'Dowd, David Widdison, James Vanderkley, Harry Cousens 1.

Best Players: David Widdison, Joe Mason, Daniel Butler, Mitch Gillespie, James Vanderkley, Jarryd O'Dowd, Nicholas Weightman, Billy Jones.

The Galvin team rebounded from last weeks defeat in defeating Ballarat Grammar Gold team in a hard fought game. Kicking into the breeze in the first quarter our team had opportunities but failed to convert. Daniel Butler was setting opportunities across the half back line. Joe Mason and David Widdison were winning the ball out of the centre and were in control. Mitch Gillespie tried hard up forward by outplaying his bigger opponents with strong overhead marks. Overall an excellent effort by all players for the remainder of the game by outplaying a strong BG Gold team.

SPC Blue 10 – 10 – 70 Defeated Damascus College 1- 0 – 6

Goal Kickers: Alex Brown 3, Clifford Jones, Sam Troon 2, Ben Martin, William Petrowski, Patrick Tansey 1.

Best Players: William Petrowski, Ryan Knowles, Alex Brown, Caius Barrenger, Deng Deng, Ben Martin, Sam Troon.

Against an undermanned Damascus College, in bitterly cold conditions and despite a clash of navy blue jumpers the boys from Keniry played a fantastic game of football in Round 7 of the BAS competition. Alex Brown was at his best at Centre Half Forward kicking 3 goals and Sam Troon chipped in with late goals to ensure a victory. Even though the scores were not close it was impressive in the way the team went about their play. With First XVIII coach Mr Clark watching on I am sure he would be happy with the display in which will mean well in future years. Next week is the last game of the season against BHS Green.

Intermediate Football

Ballarat College 8 – 11 - 59 Defeated SPC Blue 3 – 7 – 25

Goal Kickers: Kieran Missen, Daniel Vadala, Nicholas Rippon 1.

Best Players: Nicholas Rippon, Jack Romeril, Mitchell Robertson.

Year 10

Ballarat High School forfeited the match.

2nd XVIII

Round 7

SPC Green 7 – 6 - 48 Defeated Ballarat Grammar 2 – 1 - 13

Goal Kickers: Justin O'Brien, Stephen Bongiorno 2, Mitchell Rodd, Sean Mundy, James Cook 1.

Best Players: Justin O'Brien, Patrick Dwyer, Caleb Hepworth, Drew Murphy, Carl Loader, Lachlan Dickson, Tom Cullinan.

The last round of the 2nd XVIII BAS Competition saw SPC Green come up against Ballarat Grammar in a game we had to win to ensure a place in the final against BCC. In freezing conditions the boys took to the field committed to the cause. We managed to kick three goals in the first quarter to deflate any enthusiasm Grammar had. Late call up Stephen Bongiorno kicked two goals running onto the ball over the back of the pack. Paddy Dwyer continued his great form and Carl Loader was attacking the ball hard off half back. As the game wore on the hail and rain started pelting down making conditions very wet and slippery. Caleb Hepworth rucked all day and Justin O'Brien moved forward and kicked two long goals after marking strongly. Mitch Rodd continued to impress while Lachlan Dickson and Tom Cullinan worked hard and used their voices well.

A gutsy 35 point win in the worst conditions imaginable where all players contributed and are looking forward to the Grand Final next week at College.

Ballarat Clarendon College 4 - 9 - 33 Defeated SPC Blue 1 - 5 - 11

Goal Kicker: Shaun Jones.

Best Players: Jayson Puatijimi, Clay Jenkins, Matt Cullinan, Xavier Quigley, Josh Plozza, Luke Kemp.

In what seemed like Arctic conditions SPC Blue finished their 2009 campaign with a hard fought 22 point loss to a more polished Ballarat Clarendon College team. The Blues had plenty of the football but failed to execute with any authority in wet, slippery and bitterly cold conditions. Players such as Xavier Quigley, Clay Jenkins and Matt Cullinan battled manfully to win the ball from stoppages but as a team we were unable to find open space and identify the best option to kick to in the wet and windy conditions.

The only player to consistently show poise under pressure and sure handed ball skills was Jayson Puatijimi who was clean by hand and foot – an amazing feat given he is from Bathurst Island and would have never experienced weather conditions such as these! The team scored its only goal in the last quarter when Shaun Jones slotted a 'Saturday Special' from the boundary line. Testament to the commitment of the team was that they outscored BCC in the last quarter when the easy option would have been to simply play out time and long for a hot shower!

Well done and thank you to all boys for their effort and endeavour in season 2009. It has been a great privilege to work with the team and provide players with an environment where boys can showcase their skills, develop a strong sense of team and have loads of fun. Thank you to Mr Howard Clark for his leadership of the programme and to Mr Chris Gleeson who handles the logistics very efficiently to enable so many boys to play – over 40 boys represented the Blues in 2009. Thank you and well done boys.

Soccer

First XI Soccer Mr Tony Beggs Round 5

St Patrick's College 5 Defeated Ballarat Grammar 0

Goals: Joshua Antonelli 3, Lachie McLean, Michael Trigger.

Best: Joshua Antonelli, Michael Trigger, Will Georgiou, Angus Martin, Charlie King.

Illness, Year 12 Streetwise Camps, physio, flu – it didn't matter. A St Patrick's senior soccer team rolled up to the away match at Grammar's home ground with confidence, despite the numerous changes to the line-up. From the first kick off they did the College proud with a special performance ending in a 5 -0 win over the Grammar team.

From the beginning the SPC team dominated in an inspiring performance which focused on Michael Trigger and William Georgiou in the centre, backed up by Angus Martin and Charlie King in defence. SPC had a three pronged forward line with Joshua Antonelli in the key and he did not disappoint. Angus to Charlie and on to Will resulted in Joshua having to beat a defender and keeper and he did this with a strong kick across the face of the keeper and into the bottom left for the first goal.

Shortly after, Lachlan McLean broke clear with skill on the right of goals only to see his strong shot hit the cross bar. However he was only disappointed for a short time as Michael found Will and through traffic he hit Lachie's feet and again found the metal, finally nailing the rebound.

The first half had seen new players perform well with Patrick Thorpe and Lachlan Clydesdale being stand outs.

Early in the second half SPC dominated through the centre and with measured defence with Tom McKinnon making shots at goal look easy. Angus found Will who faked control and Michael Trigger took the opportunity to place a through ball across the bows. Josh Antonelli immediately seized on the opportunity and sped through the line, ran 20 metres and beat the keeper for his second.

Again a through ball on the right side of the pitch gave Josh running space and he took on and beat his defender and also the keeper to make it look easy for his third. The final assault saw a line up of forwards attacking for control of a well placed ball just past the defensive line. The ball was picked up by Will Georgiou who ran it deep and placed it across the box, easy enough for Michael Trigger to snap it up for an unchallenged final goal.

There was much to ponder on how this team played no nonsense football and secured an emphatic win. Congratulations and thanks to those who filled in.

Intermediate Les Lindorff

St Patrick's College 3 Defeated Ballarat Grammar - 0

Best: Mathew Thorne, Adam Anticaglia, William Cousens.

All the boys played well and were determined to win from the start. William Cousens, Adam Anticaglia and Mathew Thorne played very well and were supported throughout the game by Cameron Ferguson. Overall a great effort and a good win. Well done to all boys.

Senior Basketball

Miss Tamara Westwood

St Patrick's College White 94 Defeated Damascus College 32

After a slow start the boys from the SPC White team focused on defence and began to play as a team. Great running by Bernie Peoples, Ash Constable and Jack Bennett saw plenty of easy baskets being made. A 45 point lead in the first half set the tone for the rest of the game as the boys set about extending the lead to record a comfortable win over an undermanned Damascus side.

Leading Scorers for SPC White: Bernie Peoples 19, Jack Bennett 18, Dom Godfrey 14, Oliver Whiteley 14.

St Patrick's College Green - 56 Defeated Ballarat Clarendon College Red - 25

SPC Green dominated from the start of the game through great team work and pressure defence to record its first win for 2009. Jesse Dundon found form early as Liam Atwood had no trouble getting to the basket. Joel Williamson was fantastic in defence and overall it was a great team effort. Well done to all the boys.

Leading Scorers for SPC Green: Liam Atwood 16, Jesse Dundon 9, Matt James 8, Brodie Leishman 7.

EVENTS AROUND THE COLLEGE

Friends of St Patrick's (FoSP)

Mr Chris Caldwell, Deputy Headmaster

As detailed in last week's edition of The Crest, the first meeting of the 'Friends of St Patrick's' has been held. Groups represented included music, rowing, football, rugby, basketball, OCA, Foundation and the Art Exhibition. The aims of this new entity are reflected in the mission of the group:

The Friends of St Patrick's will support the development of a sense of community at St Patrick's College with a view to increasing the educational opportunities available to all students. The Association will coordinate the activities of support groups and volunteers to better utilise volunteers and to ensure all groups operate in an integrated, supportive and effective manner.

The FoSP is committed to increasing the sense of community at St Patrick's and enable support groups to work in an integrated manner. The sharing of ideas, resources and networks will enhance the operation of each group which will ultimately improve the outcomes of volunteer efforts in supporting all students at the College.

The next meeting of the FoSP will be held on Tuesday June 16 at 7.30 pm in the Board Room. All members of the SPC are most welcome to attend.

Drawing and Sculpture Workshop

Have fun exploring two and three-dimensional art. Focusing on line, pattern and the individual components of composition and design, children will complete a detailed drawing and will also make a sculpture using Paper Magiclay, a lightweight, soft and elastic modelling compound.

Date: Monday 6 July, 10am – 12noon

Age: 5- 8

Venue: Education Studio, Art Gallery of Ballarat

Cost: \$20, Members \$15

Sculpture Workshop

In this workshop, young people will have the opportunity to express their individuality through drawing and design and then transform their ideas into a three-dimensional form. Using construction and modelling and techniques, participants will create two sculptures, one using Paper Magiclay and the other using recycled materials.

Date: Tuesday 7 July, 10am – 1pm

Age: 9 – 13

Venue: Education Studio, Art Gallery of Ballarat

Cost: \$25, Members \$20
