

## 2020 Year 12 Subject Selection Guide

As Year 11 students prepare to enter their final year of secondary education it is appropriate to spend some time reflecting on their achievements to-date and the progress they have made towards attaining the learning goals they previously set for themselves.

This guide serves three functions:

- to assist and support students and parents with the Year 12 subject selection process
- as a record of the student's proposed subject selections for 2020
- as confirmation of the student's re-enrolment status for 2020

Year 11 Pastoral Care Group Tutors and Senior School teachers have been asked to assist and support each student in completing this guide. Students are required to submit their proposed 2020 Year 12 program details using Web Preferences (the online subject submission portal). Students will be emailed a link to the Web Preferences log-in, along with detailed instructions. Parents will also be sent a similar email explaining the submission procedure. Please note that a parent and student signed copy of the 2020 Web Preferences Preference Receipt is to be submitted with this Subject Selection Guide. Students are required to complete the computer entry of their proposed 2020 subject selections before the **Friday, July 26 submission date**. As this is web-based, it can be completed at home or at school.

Having complete each of the following sections, this **Selection Guide** is to be returned to the College by no later than **Friday, July 26**.
