

iPad Resources List for 2019 Year 8

Year 8 students are required to purchase the following iPad resources for 2019. Please note that any app purchased with iTunes remains the property of the student and does not need to be purchased again. Past purchases can be accessed from the iTunes Store, App Store and iBooks Store and will remain available for use in future years (as required).

It is recommended that all iTunes apps or iBooks purchases be completed using your son's iTunes account and iTunes Gift Cards. You can check for weekly specials on iTunes Gift Cards at <http://www.giftcardsonsale.com.au/>.

To create an iTunes account you will first need an Apple ID. Instructions on how to create an Apple ID can be found at <http://ipads.stpats.vic.edu.au/manuals.html>.

Required iPad apps for all 2019 Year 8 students from iTunes:
