

## iPad Resources List for 2019 Year 7

Year 7 students will be required to purchase the following iPad resources for 2019. Any app purchased in 2019 with iTunes will remain the property of the student. Consequently, students will only need to purchase any app once. Past purchases can be accessed from the iTunes Store, App Store and iBooks Store and will remain available for use in future years (as required).

It is recommended that all iTunes apps or iBooks purchases be completed using your son's iTunes account and iTunes Gift Cards. You can check for weekly specials on iTunes Gift Cards at <http://www.giftcardsonsale.com.au/>

To create an iTunes account you will first need an Apple ID. Instructions on how to create an Apple ID can be found at <http://ipads.stpats.vic.edu.au/manuals.html>.
